

## Animal Mask

### Materials:

Paper plate  
Crayons/Markers  
String  
Hole puncher  
Scissors

### Instructions on how to create your own animal mask:

1. Choose favorite animal to draw on the plate.
2. After drawing the face use the crayons or markers to color the animals face. Be as creative as you want.
3. When finished coloring use the hole puncher to punch a hole on the left and right side of the paper plate which is the left and right side of the animal's face drawn.
4. With help of a grown-up, place the paper plate to your face with the animal face over yours. Measure length of string and then cut with scissors.
5. Tie string on left and right side of holes punched.
